STATEMENTS ON INTRODUCED BILLS AND JOINT RESOLUTIONS

By Mr. BINGAMAN:

S. 2922. A bill to create a Pension Reform and Simplification Commission to evaluate and suggest ways to enhance access to the private pension plan system; to the Committee on Health, Education, Labor, and Pensions.

THE PENSION REFORM AND SIMPLIFICATION COMMISSION ACT

Mr. BINGAMAN. Mr. President: I rise today to introduce legislation calling for the establishment of a Pension Reform and Simplification Commission. The legislation derives directly from conversations I have had with constituents and experts on three key issues.

First, there is the problem related to the current cost and complexity of private pension plans. In my view current regulations place an unnecessary burden on small and medium business as they attempt to adopt pension plans. Indeed, even the most simple plans are often so complicated in form and function as to be incomprehensible to an everyday businessperson.

Second, there is the problem involved in coverage. Although over-all pension coverage may be consistent over the last decade and the assets of private plans have been on the increase, my concern is with those individuals of low to moderate income who are being left out of the private pension plan equation. As companies move toward cheaper plans—401(k)s being a salient example—and feel less obligated to offer defined benefit-type plans, individuals who do not have the extra money to contribute to their pension plans are
